

READERS' CHOICE

TOP 10 architects/designers

Each month, Women's Business asks readers for nominations to create a Top 10 list in a particular category. In this issue, we present the region's leading architects and interior designers. Following are the dynamic professionals readers turn to for top-notch renovation and new project work.

Kathie Chrisicos

President

Chrisicos Interiors

"I deal on a daily basis with the top interior decorators across the country, and my professional relationship with Kathie is always a pleasure and a comfort to me and my firm. Her attention to every detail for the client and their needs is unparalleled in the industry. When my company is called in to serve her client's needs, we know that we must perform 110 percent."
